Who are we ?

solutions for your video and multimedia needs

Corporate and product launching events, corporate videos or personal events; your wedding ceremony of course... capture them all into digital for a long term memorable memories or as your business portfolio.

We are a small business with small business overhead, which allows us to pour all our money into state-of-the-art equipments and our time into work, work, work.

StenoDV has grown tremendously over the years and have managed to keep in-tune with the most current trend as well as technology, we would like to play a significant part in realizing the Nation's aspiration of developing the Multimedia Super Corridor by emphasizing on the application of multimedia content locally. We are a certified Bumiputra status company which was incorporated on February 2003, under the Company Act 1965. We have the infrastructure, resources, expertise, experience and determination to succeed in our endeavors.

High- Quality video for commercial and business.

- Non-Linear editing from DV-Pro, Mini-DV, BetaCam, Hi8, S-VHS or VHS.
- Editing / Transitions
- 2D, 3D animations
- Audio editing

Exported to all formats including DVD authoring and VCD. DVD authoring includes Encoding Video, Title Slide and Multiplexing to DVD (Complex titling and surround sound encoding is an additional charge based upon project needs).

Multimedia

Launch gimmick
Multimedia games
Interactive CD-ROM

Launch Gimmick

Give impacts to your product launching ceremony with our special on-screen gimmicks and effect show.

- 30 sec to 5 minutes runtime.
- Easy-to-Launch finale format.
- VCD/DVD conversion

Multimedia Games

Game Show, quiz or multimedia game has now become more alive with a full control multimedia system development for a great and interactive show on stage. Think of a great show such as Pop Kuiz, Family Ceria and Who Wants To Be a Millionaire.

Interactive CD-ROM

When information is abundant, interactive CD is what we would recommend to you. The use of menu and screen navigation enables your clients to navigate straight to the required information - making information accessed easily and faster.

- Company profile
- eBook
- Tutorial/ Training CD
- Product Catalogue
